## “BEST JAZZ VENUE” – Houston Press Music Awards

“For more than a decade this weekend-only club has been the only serious listening room where Houston’s marquee players can stretch out to a receptive audience.” – *“100 Great Venues to Hear Jazz”, Downbeat Magazine*

“This venerable jazz club, located above the Black Labrador restaurant, is a breath of fresh air. Classy and elegant, with framed prints of paintings by its namesake on the walls, this is a place where serious music aficionados can go to actually listen to the best local and touring jazz performers, ranging from traditional and Latin acts all the way to Western swing. Antique furniture, track lighting and a friendly, knowledgeable waitstaff are mere icing on the cake.” – *Houston Press*

“As clandestine as a speakeasy, Houston’s premier jazz club is a singing, swinging secret.” – *Citysearch*

“The best local and nationally touring live jazz acts roll through the ultra chic Cézanne to wow the serious music lovers that pack into its classy walls. Houston needed a live music club like this and Cézanne delivered, and the musical stylings don’t just stop at traditional jazz, live acts along the musical spectrum from Latin jazz to Western swing break out their gear and tickle the ears of the always appreciative hip crowd.” – *Houston.com*
